|  | Trout Lake (TL1, TL2)<br>(Outer Zone - No Road, Modified Renewal) |                                                                                     |                                                  |
- Note: Some AOCs are coincident with others.  
Where overlapping, only one is shown.

The diagram on the left shows a nest site with concentric zones: a central red circle labeled 'Nest Core - No Activity', an outer green ring labeled 'Nest Residual Zone', and a larger red ring labeled 'Timing Restriction'. A black dot with a red outline is in the center. To the right, a table lists abbreviations and their meanings.
